

Dear applicant,

Thank you for being interested to join the IAESS family. In order to meet our statutes, support our mission and bridge the gap between science and practice, we require the following information and documents as part of the application process. Please send all required documents in PDF format to info@iaess.org. You will be contacted about the status of your application and if further information is needed.

Thanks for your interested in our organization,

Your IAESS Board
